QUINCY'S BLUEFIN RECOGNIZED BY STATE

QUINCY – Bluefin Robotics has been recognized for its contribution to the state's economy after dropping anchor at a new headquarters in Quincy. The Massachusetts Alliance for Economic Development gave Bluefin the top award for the division that includes companies in Southeastern Massachusetts, even though its main base of operations was in Cambridge until this month. Other area recipients at the MassEcon awards on Tuesday included South Boston's Harpoon Brewery, which received the "Local Icon" award.
