By Matthew L. Brown
Worcester Business Journal Staff Writer

09/17/10

MassEcon has named six Central Massachusetts companies as finalists in its annual "Team Massachusetts Economic Impact Awards."

To become finalists, companies give one-minute "elevator pitches" describing their growth in Massachusetts over the past 18 months.

The six Central Mass. companies to make the finals are: A123 Systems of Westborough; Conservation Services Group of Westborough; eClinicalWorks of Westborough; Heywood Hospital of Gardner; Incom Inc. of Charlton and Saint-Gobain of Worcester.

Finalists compete in a regional competition. Gold, silver and bronze winners will be chosen from each region.
