Area companies honored

Three Central Massachusetts companies are among the winners of the seventh annual Team Massachusetts Economic Impact Awards being presented by the Massachusetts Alliance for Economic Development. The awards program will be held Nov. 23 at the Seaport Hotel, Boston.

The luncheon is the only awards event of its kind in Massachusetts, recognizing companies from across the Commonwealth for their contributions to the state's economy. The winning companies were selected based on job growth, facility expansion, investment, and community involvement.

Among the winners are Saint-Gobain in Worcester, eClinical Works in Westboro, and INCOM in Charlton.

Gov. Deval L. Patrick and Wyc Grousbeck, managing partner and chief executive officer of the Boston Celtics, will speak.
