Fourth Annual Corporate Welcome Reception

MassEcon's Fourth Annual Corporate Welcome Reception will take place on April 26th at Genzyme's headquarters in Cambridge. We have already confirmed the participation of several companies from across the state that have moved to Massachusetts in the past year, or have started as new ventures in the last 12 months. Some of the companies include **Wegmans Food Markets, Inspiration Biopharmaceuticals, and Netwatch**. The event is sponsored by **BioMed Realty**, and Secretary Greg Bialecki will be our featured guest. The reception is our opportunity to say thank you to these companies for investing in Massachusetts and to introduce them to the Massachusetts network. Stay tuned for registration information.

MassEcon on the Road: Join us in Promoting Massachusetts!

MassEcon will be in **Chicago** and **Philadelphia** on two **business development missions** to promote the assets of Massachusetts to corporate location advisers - those who help make the critical decisions on where their companies will locate. The first event will be held on April 12th at the United Center in Chicago, during the Chicago Bulls - Miami Heat NBA match-up. The second event will take place on May 23rd in the Philadelphia metropolitan area, in connection with the Medical Device & Manufacturing (MD&D) East trade show. This is a fine opportunity to showcase your company or region while marketing the strengths of the Commonwealth. For more information about the events, and for questions about sponsorship opportunities, please contact [Doug Kehlhem](#). Thank you to **Dacon Corporation, SouthCoast Development Partnership, and VHB** for being part of the delegation. We have room for more!
